REMINDER FOR COMMISSIONERS TO STATE THEIR NAME BEFORE SPEAKING.

REMINDER FOR STAFF TO COME TO THE PODIUM WHEN SPEAKING.

REMINDER TO TURN OFF ALL CELL PHONES DURING THE MEETING...

ITEM 1. ::Review : No Action : Recommendation for Ad:: This ordinance was drafted for review and consideration of adoption as a part of the Zoning Ordinance on wind energy systems. This is taken from the Iron County Ordinances as discussed approximately 9 months ago by the Planning Commission. The commissioners will need to review before the meeting and give input on the ordinance and address whether or not this is something we want to implement in the unincorporated areas of the County.
